

March 25, 2015

To the Court:

In accordance with the *Municipal Elections Act*, I, Bonnie Crombie, Mayor of the City of Mississauga, respectfully request to the Court that I be granted an extension of time so that I may properly compile all necessary documentation to file an accurate and complete accounting of my campaign expenses.

The legislative deadline is March 27, 2015, however I only recently received a draft of my filing from the auditor on Monday, and it raised a number of unanticipated concerns, such as missing addresses for donors, and corporate contributors who might be, but are not necessarily, related. By my count, there over 400 pieces of missing information. As such, I believe more time is required to ensure that all information filed is accurate.

I understand the importance of transparency and the need to be as accurate in the filing of election expenses as possible. It is for this reason that a request a short extension in order to ensure my filing is done to the best of my ability.

Thank you for your consideration of my request.

Sincerely,

Bonnie Crombie
