The report must be done in accordance with generally accepted auditing standards and must:

- set out the scope of the examination
- provide an opinion as to the completeness and accuracy of the financial statement and whether it is free of material misstatement

 Report is attached

Personal information, if any, collected on this form is obtained under the authority of sections 78 and 95 of the *Municipal Elections Act, 1996*. Under section 88 of the *Municipal Elections Act, 1996* (and despite anything in the *Municipal Freedom of Information and Protection of Privacy Act*) documents and materials filed with or prepared by the clerk or any other election official under the *Municipal Elections Act, 1996* are public records and, until their destruction, may be inspected by any person at the clerk's office at a time when the office is open. Campaign financial statements shall also be made available by the clerk in an electronic format free of charge upon request.

INDEPENDENT AUDITORS' REPORT with respect to Municipal Election Act, 1 996 (Section 78)

To City Clerk, Mississauga

I have audited the Financial Statement – Auditor's Report Form 4 of Antoni Kantor, candidate for the campaign period June 25, 2014 to June 30, 2015 relating to the election held on October 27, 2014. This financial information has been prepared by management in accordance with the accounting treatment prescribed by the Municipal Elections Act, 1996.

Candidate's Responsibility for the Financial Information

The candidate is responsible for the preparation of the schedules in accordance with accounting treatment prescribed by the Municipal Elections Act, 1996, and for such internal control as the candidate determines is necessary to enable the preparation of the financial information that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on this financial information based on my audit. I conducted the audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial information is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial information. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial information, whether due to fraud or error. In making those risk assessments, the audit considers internal control relevant to the candidate's preparation and fair presentation of the financial information in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the candidate's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Antoni Kantor, candidate, as well as evaluating the overall presentation of the financial information.

I believe that the audit evidence that I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Basis of Qualified Opinion

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedure to determine that the accounting records include all donations and goods and services, and receipts and disbursements. Accordingly, my verification of these transactions was limited to ensuring the amounts recorded in the accounting records of Antoni Kantor, candidate, and I was not able to determine whether any adjustments might be necessary to income and expenses, assets or liabilities, and surplus/deficit.

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial information present fairly, in all material respects, the financial position of the candidate's election campaign as at June 30, 2015 and the income and expenses for the campaign period from June 25, 2014 to June 30, 2015 and the determination of the surplus or deficit and the disposition of surplus in accordance with accounting treatment prescribed by the Municipal Elections Act, 1996.

Basis of Accounting and Restriction on Distribution

Without modifying my opinion, I draw attention to the basis of accounting. The Municipal Elections Act, 1996, does not require me to report, nor was it practicable for me to determine, that contributions reported include only those which may be properly retained in accordance with the provisions of the Municipal Elections Act, 1996. This financial information, which has not been, and was not intended to be prepared in accordance with Canadian generally accepted accounting principles are solely for the information and use of the City Clerk, Mississauga, for complying with the Municipal Elections Act, 1996. This financial information is not intended to be, and should not be, used by anyone other than the specified user or for any other purpose.
